PROFESSIONAL SUMMARY

Assistant Professor at the College of Nursing, Sulaiman Alrajhi University, and Associate Professor of Obstetric and Gynecologic Nursing at the Faculty of Nursing, Alexandria University, with more than 20 years of university teaching in Egypt and Saudi Arabia. Spent seven years at King Faisal University teaching BSN, Nursing Diploma, Bridging and MSc students, leading internship training as Deputy Head of the Training and Internship Unit, and contributing to programme accreditation. Co-author of 30 journal articles, a book chapter, a conference paper and a preprint (2019–2026) in women's health and nursing education, including recent studies on virtual simulation and virtual reality published by Elsevier, SAGE, BMC and PLOS. Invited speaker at international conferences in Riyadh and Dubai, certified trainer, and co-supervisor of Master's research at Alexandria University.

RESEARCH INTERESTS

Maternal and women's health (antenatal, intrapartum and postnatal care; dysmenorrhea; menopause; family planning and contraception; breastfeeding) • Nursing education (virtual simulation, virtual reality, debriefing, learning approaches, academic stress, emotional intelligence) • Patient safety and infection prevention • Women's quality of life and community health in Saudi Arabia and Egypt

EDUCATION

Doctor of Philosophy (PhD) in Nursing Science, Obstetric and Gynecologic Nursing January 2015

Faculty of Nursing, Alexandria University, Egypt

- Dissertation: "The Effect of Ginger Oil on Symptoms of Primary Dysmenorrhea."
- Awarded 13 January 2015; approved by the University Council on 24 February 2015.

Master of Nursing Science, Obstetric and Gynecologic Nursing January 2009

Faculty of Nursing, Alexandria University, Egypt

- Awarded 15 January 2009; approved by the University Council on 27 January 2009.

Bachelor of Nursing Science June 2003

Faculty of Nursing, Alexandria University, Egypt

- Overall grade "Excellent with Honours" (3,581.5 of 3,905 marks); approved by the University Council on 30 September 2003.

Internship Year (training year for licensure) September 2003 – August 2004

Alexandria University Hospitals, Egypt

- Completed with an overall grade of "Excellent."

LICENSES & REGISTRATIONS

- Egyptian Nursing Syndicate, registered member.

ACADEMIC APPOINTMENTS

Assistant Professor, College of Nursing October 2026 – Present

Sulaiman Alrajhi University, Al-Bukayriyah, Saudi Arabia

Assistant Professor, Department of Nursing January 2019 – August 2026

College of Applied Medical Sciences, King Faisal University, Al-Ahsa, Saudi Arabia (on secondment from Alexandria University)

- Taught theory, laboratory and clinical courses across the BSN, Nursing Diploma, Bridging and MSc programmes (see Teaching Experience).
- Served as Deputy Head of the Training and Internship Unit (appointed 15 Dhu al-Hijjah 1444 AH / 3 July 2023) and chaired the department Internship Committee (2021–2022 to 2024).
- Lectured every year in the Internship Orientation Course that prepares nursing graduates for their clinical internship year, earning three certificates of appreciation.
- Contributed to the Nursing Department's accreditation preparation (certificate of appreciation, 2025) and prepared for Advisory Board visits.
- Integrated virtual simulation and structured debriefing into teaching, and measured their effect on student knowledge, satisfaction and self-confidence in published studies.

Faculty of Nursing, Alexandria University, Egypt February 2005 – Present
Department of Obstetric and Gynecologic Nursing

- **Associate Professor** January 2021 – Present
- **Assistant Professor** March 2015 – January 2021
- **Lecturer** March 2009 – March 2015
- **Demonstrator** February 2005 – March 2009

Academic Secondments (Egypt)

- Faculty of Nursing, Matrouh Branch, Alexandria University: academic years 2016–2017 and 2017–2018.
- Technical Institute of Nursing, Faculty of Medicine, Alexandria University: academic year 2015–2016.

ADMINISTRATIVE & COMMITTEE SERVICE

King Faisal University, College of Applied Medical Sciences

- Deputy Head, Training and Internship Unit (appointed 3 July 2023).
- Chair, department Internship Committee (2021–2022 to 2024).
- Member, Training Unit (2022–2023 to 2025).
- Member, Development Committee (2020–2021 to 2026).
- Member, Nursing Department Council (2018–2019 to 2026).
- Member, Community Partnership Committee (2018–2019).
- Examination invigilation for undergraduate programmes (2018–2019 to 2025–2026).

Alexandria University, Faculty of Nursing

- Member, Community Service and Environmental Development Committee (2016–2017).
- Member, Internship Committee (2016–2017 and 2017–2018).
- Member, Student Records Committee, Matrouh Branch (2016–2017).
- Examination control: results preparation and data entry for the first-year control (both semesters, 2014–2015 to 2016–2017) and the fourth-year control (2017–2018).
- Results Committee for the spring and summer semesters, Matrouh Branch (2016–2017).
- Member of the special examination committee convened to examine a student held at El-Hadara Prison.
- Invigilation of postgraduate examinations (2016–2017 to 2017–2018).

QUALITY ASSURANCE & ACCREDITATION

- King Faisal University: contributed to the college's quality and accreditation work, including the Nursing Department's accreditation preparation (certificate of appreciation, 2025), and prepared for Nursing Department Advisory Board visits.
- Alexandria University: member of the faculty-level Quality Management Standard team; prepared the Obstetric and Gynecologic Nursing Department for its annual internal audit visits.
- Took part in renewing the Faculty of Nursing's accreditation by Egypt's National Authority for Quality Assurance and Accreditation of Education (NAQAAE) (2016; certificate of appreciation from the Dean).

TEACHING EXPERIENCE

King Faisal University, Department of Nursing (2019 – 2026)

- Provider of Care 1 (Adult Health): practical, BSN
- Provider of Care 2 (Maternity): theory and practical, BSN, Nursing Diploma and Bridging
- Provider of Care 3 (Mental & Social Health): practical
- Provider of Care 4: practical
- Capstone Project: practical supervision
- Health Assessment: theory and laboratory, BSN
- Advanced Health Assessment: MSc
- Interprofessional Education, Communication and Collaborative Practice (IPECCP)
- Anatomy & Physiology 1 and 2: laboratory
- Emergency & First Aid: laboratory
- Quality in Health Care: theory
- Basic Concepts in Nursing: theory
- Math for Nurses
- Reproductive, Child and Family Health: theory and clinical, BSN (2018–2019 and 2019–2020)
- Community Health Nursing: clinical training, BSN (2019–2020)
- Graduation project supervision for two student groups, “Causes of Death in the Kingdom of Saudi Arabia” (2019–2020)

Alexandria University, Faculty of Nursing (2014 – 2018)

- Obstetric and Gynecologic Nursing: theory, third-year credit-hour programme (2014–2015 to 2017–2018), with clinical training at El-Shatby University Hospital over the same years
- Obstetric and Gynecologic Nursing: Intensive Programme, 4th cohort, third semester (2016–2017)
- Obstetric and Gynecologic Medicine: third-year credit-hour programme, Matrouh Branch (2016–2017)
- Obstetric Nursing and Obstetric & Gynecologic Nursing: clinical training for Master’s students (2014–2015 to 2017–2018)
- Obstetric Nursing: clinical training for Nursing Diploma students (2017–2018)
- New Issues & Trends in Nursing (postgraduate) and Introduction to Nursing Research

Clinical Teaching Areas

Antenatal care; labour and delivery; postnatal care; gynecology; family planning; community health nursing; first aid; health assessment; interprofessional education, communication and collaborative practice.

EXAMINATIONS, COURSE COORDINATION & ACADEMIC ADVISING

- King Faisal University: set and marked the Reproductive, Child and Family Health examinations (2018–2019 and 2019–2020) and course examinations each year up to 2026, applying training in test construction and item analysis.
- Alexandria University: prepared and marked written, practical and oral examinations in Obstetric and Gynecologic Nursing (2014–2015 to 2017–2018); set, marked and orally examined the Intensive Programme 4th-cohort examination (2016–2017).
- External oral examiner, Obstetric and Gynecologic Medicine, third year (2016–2017 and 2017–2018); external examiner in Obstetric and Gynecologic Nursing and internal examiner in Obstetric and Gynecologic Medicine at the Matrouh Branch (2016–2017).
- Set and marked the Obstetric and Gynecologic Nursing examination for the Alexandria University Institute of Nursing (2015–2016).
- Course Coordinator, Obstetric and Gynecologic Medicine, third year, second semester (2017–2018).
- Academic advisor to male and female BSN, MSc and Bridging students at King Faisal University (first semester 2018–2019 to 2026); to credit-hour undergraduates at Alexandria University (2014–2015 to 2017–2018) and at the Matrouh Branch (2016–2017).

POSTGRADUATE SUPERVISION

Faculty of Nursing, Alexandria University

- Master's thesis, Hagar Al-Moatakef (Yemen). Co-supervised with Prof. Amany Ahmed Gamal El-Din and Prof. Sahar Anwar Rizk. Defended.
- Master's thesis, Amira Ahmed Ibrahim El-Hewait. Co-supervised with Prof. Shadia Taha Ahmed Yassin and Assoc. Prof. Rasha Mohamed Essa. Defended.
- Master's thesis, Marwa Salah Abdel-Gawad. Supervision committee member with Prof. Amany Ahmed Gamal El-Din and Prof. Dalia Ibrahim Tayel; handed over to Dr. Noha Mohamed on secondment to Saudi Arabia.
- PhD dissertation, Neama Bakr Badr. Supervision committee member with Prof. Dalal Ali Abdel-Rahman and Dr. Yasser Saad El-Kassar; handed over to Dr. Isis Emile on secondment to Saudi Arabia.

RESEARCH & PUBLICATIONS

30 journal articles, 1 conference paper, 1 preprint and 1 book chapter (2019–2026). Her name is shown in bold.

Book Chapter

33. Effectiveness of nursing post-discharge guideline on life quality among menopausal women undergoing uterine prolapse surgery (July 2023). In Current Innovations in Disease and Health Research.

Course Textbooks

- Co-author and reviewer of the Obstetric and Gynecologic Nursing theory textbook (regular programme), Faculty of Nursing, Alexandria University.
- Co-author and reviewer of the Obstetric and Gynecologic Nursing theory textbook for the Intensive Programme, Faculty of Nursing, Alexandria University.

Doctoral Dissertation

- "The Effect of Ginger Oil on Symptoms of Primary Dysmenorrhea." PhD, Obstetric and Gynecologic Nursing, Faculty of Nursing, Alexandria University (2015).

INVITED TALKS & CONFERENCE PRESENTATIONS

- Speaker, 5th International Conference on Nursing and Women's Healthcare, Dubai, UAE. Talk: "Posture, Power, and Pain: The Female Back Story." (November 2025)
- Speaker, 2nd Annual International Midwifery Conference, Saudi Association of Midwifery, Riyadh, Saudi Arabia. (March 2024)
- Speaker, "New Trends in Obstetrics & Gynecology Nursing," seminar, College of Applied Medical Sciences, King Faisal University. (October 2021)
- Presenter, "Exam Stress," online webinar for secondary school students (community engagement). (November 2020)
- Speaker and organiser, Internship Orientation Program for the 2020–2021 batch, College of Applied Medical Sciences, King Faisal University. (February 2020)
- Speaker, "Needle Stick Injury Prevention & Stress Management" workshop, Department of Nursing, King Faisal University. (December 2019)
- Research presenter and organising committee member, 14th International Scientific Conference, Faculty of Nursing, Alexandria University: "Nursing Role in Leading and Advancing the Global Health." (December 2017)
- Research presenter and organiser, Annual Scientific Meeting of the Obstetric and Gynecologic Nursing Department, Alexandria University: "Teaming Up for Woman Health." (February 2017)
- Lecturer, 10th Scientific Meeting of the Critical Care Nursing Department, Alexandria University: "Advances in Critical Care & Emergency Nursing." (April 2016)
- Organiser, Annual Scientific Meeting of the Obstetric and Gynecologic Nursing Department, Alexandria University: "Women's Health: Advanced Issues & Practices." (February 2016)

WORKSHOPS & TRAINING DELIVERED

- Annual lecturer, Internship Orientation Course, Department of Nursing, King Faisal University (2022–2023, 2024–2025 and 2025–2026; certificates of appreciation).
- First Aid Workshop, College of Applied Medical Sciences, King Faisal University (September 2021).
- Training course for nursing interns, Faculty of Nursing, Alexandria University (April 2018).
- "Emergency in Obstetrics," six-day workshop with the Alexandria Regional Center for Women's Health and Development (February–March 2018).
- "ICU and Emergency Care in Obstetrics and Gynecology," with the Faculty of Medicine, Alexandria University, and the Fellowship Program (March 2017).

- "Obstetric Emergency Care: Golden Hours and Beyond," held alongside the Obstetric and Gynecologic Nursing Department's annual meeting (February 2016).
- First Aid workshops and training programme, Future League Academy (July, August, September and December 2015; January and March 2016).
- "Safe Motherhood," workshop with the Alexandria Regional Center for Women's Health and Development (17–19 August).
- Planned, organised and delivered training rotations for nursing interns, Faculty of Nursing, Alexandria University (2015–2016 to 2017–2018).

CONFERENCES & SCIENTIFIC MEETINGS ATTENDED

- 5th International Scientific Conference of Woman's Health and Midwifery Nursing, Faculty of Nursing, Mansoura University (October 2023)
- 9th Annual Patient Safety Conference, Health Insurance Organization, Egypt: "Patient Safety during Pandemics" (September 2020)
- 15th International Conference, Faculty of Nursing, Alexandria University, with IARS: "Interdisciplinary Health Care: Closing the Gap & Enhancing the Quality" (August 2019)
- 7th Annual Patient Safety Meeting, Health Insurance Organization and Alexandria Patient Safety Alliance: "Ethics & Patient Safety" (November 2018)
- 32nd International Conference of Obstetrics and Gynecology, Faculty of Medicine, Alexandria University (Gyne Alex 2018) (May 2018)
- "Recent Advances in Obesity Research," Medical Research Institute, Alexandria University (November 2017)
- 2nd Annual Beheira Conference of Infection Control (October 2017)
- 31st International Conference of Obstetrics and Gynecology, Faculty of Medicine, Alexandria University (Gyne Alex 2017) (May 2017)
- 5th Forum of the Health Insurance Organization and Alexandria Patient Safety Alliance: "Staff Safety for Patient Safety" (December 2016)
- 30th International Conference of Obstetrics and Gynecology, Faculty of Medicine, Alexandria University (Gyne Alex 2016) (May 2016)
- 19th Annual International Congress of the Egyptian Society of Endocrinology & Obesity (ESEO) (May 2016)
- 3rd Annual Conference of the New Alexandria Medical Center: "New Trends in Medical Practice 2016" (April 2016)
- 9th Annual Conference of the Alexandria Regional Center for Women's Health and Development: "Women's Health and Nutrition" (March – April 2016)
- International Scientific Conference on Women's Occupational Health and Safety, Alexandria Regional Center for Women's Health and Development (March 2016)
- ASAIC 2015 Annual Anesthesia Conference, Faculty of Medicine, Alexandria University (October 2015)
- 4th Forum of the Health Insurance Organization and Alexandria Patient Safety Alliance (October 2015)
- 13th International Scientific Conference, Faculty of Nursing, Alexandria University: "Toward Better Nursing Practice" (October 2015)
- 8th Annual Scientific Meeting, Nursing Administration Department, Alexandria University: "Advanced Nursing Administration: Keep Going and Moving Forward" (August 2015)
- 8th Annual Scientific Meeting, Medical-Surgical Nursing Department, Alexandria University: "Clinical Nursing Performance: The Dichotomy between Faculty Education and Hospital Practice" (May 2015)

PROFESSIONAL CERTIFICATIONS & DIPLOMAS

- Advanced International Trainer Diploma (60 training hours over 12 days), The International Academy of Training & Development (February 2023).
- Training of Trainers (TOT), 60-hour online programme, Ain Shams University & Boundless for Training & Entrepreneurship, Egypt (August – September 2021).
- Cardiotocography (CTG) Interpretation and Fetal Monitoring, Medical Education without Borders; 6 CME hours accredited by the Saudi Commission for Health Specialties (September 2024).

- Family Planning and Reproductive Health, Medical Education without Borders; 4 CME hours accredited by the Saudi Commission for Health Specialties (October 2024).
- Diabetes Educator Seminar, Virtual Medical Academy, Saudi Arabia (April 2025).
- Basic Life Support (BLS) for Health Care Providers, Canadian Cardiac ITC, Certified Trainers (April 2015).
- "Safety is a Way of Life," Arab Society of Occupational Safety & Health Experts and Professionals (April 2015).

CONTINUING PROFESSIONAL DEVELOPMENT

2025

- Use of Artificial Intelligence in Teaching, College of Applied Medical Sciences (CAMS), King Faisal University (November)
- University Laws and Regulations; Executive Leadership Development; Leadership and Strategic Thinking, Faculty and Leadership Development Center (FLDC), Alexandria University (July)
- AI and Google Tools in Education, online workshop, Dynamic Mind Groups (May)
- Procedures for Preparing and Conducting Examinations, CAMS, King Faisal University (May)
- Progress in Maternal & Child Health-Related Sustainable Development Goals and Targets, CAMS, King Faisal University (April)
- Test Item Analysis, CAMS, King Faisal University (February)

2024

- The Uses of Artificial Intelligence Tools to Develop Scientific Research and Generate Research Ideas, 3-hour webinar, Schobot (September)
- Strategic Planning, CAMS, King Faisal University (April)
- Technical Transformation Webinar: Data Analysis Using Artificial Intelligence Tools (March)
- Test Questions Construction; Planning for Retirement; Writing Course Reports and Learning Outcomes Assessment, CAMS, King Faisal University (January – February)

2023

- Developing Future Portfolio (August); Blackboard Learn for Instructors (May); Innovative Clinical Teaching Strategies (April), CAMS, King Faisal University

2021

- Future of Nursing: Leading Change Towards Realizing the Saudi Vision, online webinar, CAMS, King Faisal University (November)
- Using the APA 7th Edition as a Citation Reference; Biomedical Waste Management among Health Care Professionals during COVID-19 in Al-Ahsa; Case Control; Keys of Success; Motivational Management, CAMS, King Faisal University (September – November)
- Preparing an Interactive File Using PowerPoint, Saudi GCDC (May)
- Optimal Handling of the Self-Service System (ERP), Deanship of Information Technology, King Faisal University (March)
- Techniques of Writing Scientific CVs for Researchers and Academics; Criteria of Defining a Research Problem Statement; Scientific Publishing in the Arab World: Problems and Strategies, Academics & Researchers Platforms, IFAD Foundation (February)
- Google Spreadsheet, Digital Days supported by Google (February)

2020
